

Booklist

Currently our Teachers use the religious education programme called “Alive-O”. The aim of Alive-O is to “enable people to become fully alive to the presence of God in themselves, in others, in the church, and in the world around them”.

All students are expected to have the appropriate pupil book and workbook for the first day of class.

Please note, with books for 2nd and 6th classes, there are different workbooks available.

Ideally, students should keep these books in a Ziploc folder labelled with their name, along with a copy, pencil and small packet of colouring pencils.
